Camphor Toner — Oily Problem/Acne Skin — 4 oz. **\$ 13**

The Camphor Lotion is formulated to remove surface oils and help balance oil gland activity. It helps reduce oiliness while tightening pores to refine the skin's texture. The active camphor disinfects the skin and helps fight blemishes.

Directions:

After cleansing pour onto a cotton pad and pat gently over face avoiding the eye area. Repeat until cotton shows no trace of dirt or make-up.
