PRODUCT PROFILE

HERBAL VITAMIN MIST \$20 - 8oz

Cools and refreshes instantly

All Skin Types

SKIN TYPES • All Skin

DESCRIPTION *Aloe, Herbs and Vitamins A and E* send nourishing moisture into the skin whenever, wherever dryness occurs. During sports, travel, at the office, in the car - in all climate extremes - Herbal Vitamin Mist is the perfect refreshing mist for skin and hair, and for men and woman of every skin type.

A base of hydrating *Aloe* and *Soothing Plant Extracts* delivers instant cooling and freshness throughout the day, reducing uncomfortable dryness within seconds.

Vitamins A and E strengthen skin's natural antioxidant defense.

Does not contain alcohol or formaldehyde-releasing preservatives.

FRAGRANCE Synthetic herbal. **pH** 6.5

- ACTIONS**
- Refreshes and cools instantly
 - Comforts dry skin on contact
 - Reactivates moisturizers within seconds
 - Hydrates dry hair; revitalizes natural curl
 - Sets and revives makeup throughout the day
 - Take anywhere dryness is a problem: sports, travel, in the car, in the office

ACTION *Aloe vera gel:* soothing and hydrating gel, keeps skin calm, moist and supple

INGREDIENTS *Soothing plant extracts:* visibly calm redness, hydrate and refresh the skin

Retinyl palmitate: vitamin A; age-fighting nutrient, improves skin's vitality

Tocopherol: vitamin E; antioxidant, protects skin's moisture barrier

DIRECTIONS HomeCare: Close eyes. Press mist pump firmly 1-3 times over face or hair.

Facial Procedure: Spray **Herbal Vitamin Mist** over skin after cleansing, extraction and masque removal.

Makeup Procedure: Spray evenly over skin, whenever dry, flaky patches and signs of uneven make up application are visible. Sets make up. Mist over makeup to revive the color throughout the day.

For Dry Hair: Spray to refresh and moisturize dry hair and revive natural curl.
