PRODUCT PROFILE

SKIN PREP CLEANSER

\$17 - 4oz

AHA cleansing gel

For AHA-treated Skin

SKIN TYPES

- Slightly Dry
- Extremely Oily
- Normal
- Slightly Oily
- Combination

Not recommended for extremely dry or sensitive skin.

DESCRIPTION

CHECK CATALOGUE DESCRIPTION Lactic, citric, and tartaric fruit acids are blended with gentle cleansing agents to dissolve residues of makeup, dead skin cells, excess surface oils and environmental contaminants. Hydrating algae peptides and calming kola, matte and guarana extracts protect skin from dehydration and irritation during the cleansing process. Skin feels refreshed, supple, and extremely clean. Skin absorption is improved, improving the penetration of Triple Fruit Acid treatments which should be applied after cleansing.

Does not contain sodium lauryl or laureth sulfates.

ACTIONS

- Gentle, thorough cleansing
- Begins exfoliation process by removing unwanted surface cells
- Prepares skin for Triple Fruit Acids in Fresh Skin or Clear Skin
- Rinses completely
- Leaves skin feeling fresh and exceptionally clean

ACTION

Lactic acid: mild exfoliating fruit acid from molasses

INGREDIENTS

Lemon & passionflower: natural whole fruit sources of citric, lactic and tartaric AHAs

Kola, matte & guarana: soothing plant extracts proven effective in soothing AHA-sensitive skin

DIRECTIONS

HomeCare: With fingertips, gently work into dry or moistened skin for several seconds. Rinse well with warm water.

Facial Procedure: May be used to remove makeup and during cleansing facial massage.
